

## ACB Management & Leadership Course 2010

**Date:** - 27<sup>th</sup> June – 2<sup>nd</sup> July 2010

**Venue:** - University of Surrey

**Delegates:** - Maximum of 32 (Specialist Registrars / Post-registration Clinical Biochemists and Immunologists, and Consultants)

**Inclusive Cost:** - £715 ACB members and £815 Non-ACB members

The week will build on the well established and acclaimed ACB management courses the last one being held in 2008.

- Designed for those preparing for FRCPATH and senior laboratory management.
- Utilising lectures, workshops, discussions, group projects, debates & presentations.
- Led by senior members of the profession, NHS managers and the Postgraduate Medical School & Department of Health Care Management at the University of Surrey.

The course will look at the NHS, its changing structure, its finance and staff groups. It will provide sessions on the psychology of organisation structures, managing budgets and demand, laboratory organisation, training, job descriptions, employment legislation, ethics, appraisal and people management. It will provide training in evidence based medicine and devote a day to clinical leadership.
