Dear Friends and Colleagues,

On behalf of the organizing and scientific committees as well as of the city of Stuttgart we are very pleased to extend you a warm invitation to attend the 12th International Congress of Therapeutic Drug Monitoring & Clinical Toxicology. The congress will be held in Stuttgart, the state capital of Baden-Württemberg, Federal Republic of Germany.

Since its first Congress held 1988 IATDMCT has dedicated its constant efforts to promote the interest and knowledge in Therapeutic Drug Monitoring and Clinical Toxicology internationally.

We are aiming to organise a congress programme that will reflect the multidisciplinary character of Therapeutic Drug Monitoring & Clinical Toxicology and attract scientists and clinical practitioners from a variety of scientific and medical backgrounds.

We are confident that the meeting will further strengthen your international and interdisciplinary cooperation. It will create opportunities for you to exchange experiences, present and debate new directions and topics with experts from across the globe. And last but not least, it will be an excellent opportunity to meet your international colleagues in an inspiring atmosphere.

We will be happy to welcome you in Stuttgart 2011.

Eberhard Wieland
(Chair)

Christoph Hiemke
(Vice-Chair)

Congress Site

The congress will be held in the conference centre „Liederhalle“, situated in the heart of charming Stuttgart, one of the most popular cities in Germany (2nd place according to the McKinsey survey „Perspektive Deutschland“). The area of the „Liederhalle“

is a lively centre for new media, art, culture, shopping and entertainment. It is close to most tourist attractions and many hotels.

The people in Stuttgart, a very

multicultural city, enjoy the friendly lifestyle in one of the safest cities in Europe. The city of Stuttgart, known as the „city of woods & wine“ offers an impressive symbiosis between an industrial centre which hosting the headquarters of world famous companies such as Bosch, Mercedes and Por-

sche, state-of-the-art science and research facilities and a cultural centre that has made a name with events catering to a wide range of tastes – from the ultra-trendy hip-hop scene to

world-class ballet and the award-winning Stuttgart Opera House. And that's not all: there are also many theatres, art galleries, festivals, fairs and concerts and, and, and...

While you are here we would encourage you and your family to take time to experience the best of what Stuttgart has to offer.
